### THIRTY ATTEND LEGION DINNER HERE THURSDAY

One of the most successful meetings of the Bert S. Crossland Post, American Legion, was held last night at Freeman's cafeteria, when about thirty veterans attended. Members of the San Pedro post were present and promised the local committee the fullest co-operation in making the Torrance Fiesta a success. The local veterans were invited to attend the meeting of the San Pedro post next Tuesday night.

The Fiesta committee reported splendid progress. The arch at the entrance to the Fiesta grounds on Cabrillo avenue is now constructed and will be painted soon.

Owing to the success of last night's meeting, it was planned to hold a dinner meeting each Thursday night until the Fiesta. These dinners will be open to all Legion members.

### Haul Record Load Of Lumber to Mine

Leaving Torrance Saturday at 11 a. m., Curtis Tolson and F. C. Sharpe hauled the largest load of lumber on the largest truck that has ever been to the Anaconda gold mine. The mine is situated six miles south of Twenty-nine Palms and 157 miles northeast of Los Angeles.

Returning, the men reached Torrance at 5:15 Monday afternoon.

### Mr. and Mrs. Reeve Go to Convention

Mr. and Mrs. Hurum Reeve will leave tonight for San Francisco. Mr. Reeve is Southern California delegate to the convention of hardware dealers to be held at the Bay city June 16 to 20. Mrs. Reeve will visit friends and probably will remain in the north a week after Mr. Reeve returns.

### HELLON-COBB

Miss Mary Elizabeth Hellon, daughter of Mr. and Mrs. Robert H. Hellon of 711 Cota avenue, and Harry Clifton Cobb were married at the Baptist parsonage, Redondo Beach, Thursday, June 12, at 4:30 p. m., by Rev. F. W. Huff.

The bride, charmingly attired in tan georgette, was attended by Miss Clara Totten in a gown of blue charmeuse.

The groom was attended by James Hellon, brother of the bride. Robert Hellon was also present.

Mr. and Mrs. Cobb will reside on Amapola avenue. The former is an electric welder with Scofield & Gallman, and Mrs. Cobb has been a member of the Fess Grocery force.

### McKINLEY INN

Miss Rena Nutty of Los Angeles is a guest this week of Mrs. May McKinley.

Frank Healy, here recently from San Fernando, has accepted a position with the Columbia Steel company.

Frank Webb of Oklahoma is a recent arrival at the inn.

Earl Robinett, employed at the Columbia steel plant, is on the sick list.

Verne L. Johnson, formerly with the C. C. Julian company, leaves this week for Long Beach.

Mrs. Mary McKinley was a guest Tuesday and Wednesday of this week of Mr. and Mrs. J. F. Nutty, of Los Angeles.

Harold McClure of Idaho is a newcomer to Torrance. Mr. McClure is associated with the C. C. Julian company.

### SCHOOL NOTES

The juniors' annual banquet in honor of the seniors and faculty will be held this evening at the school cafeteria at 6 o'clock.

Commencement exercises will be held June 26. The program and other announcements concerning the evening will appear in these columns later.

An instructive talk on the proper way to make out money orders, register mail, properly address letters, and other matters pertaining to the postal service, was given the civics classes today by Postmaster Alfred Goudier.

Summer school will open Monday, July 7, and will include instruction for the second to eighth grades, inclusive. Parents should get in touch immediately with Mr. Bell, the principal of the elementary school, in regard to the enrollment of their children.

Principal Barnett was called to Los Angeles recently to select the electrical fixtures for the new auditorium. These fixtures are specially made and will not be ready for installation until sometime in July.

At the recent election held by the Associated Student Body the following officers were chosen: George Watson, president; Clifford Grant, vice-president; Geraldine Miller, secretary; Grace Gibson, treasurer.

The new T. N. T. officers are Margaret Hannon, editor; Arnold Campbell, assistant editor; Richard Von Hagen, circulation manager; Turner McLean, business manager.

The baccalaureate sermon will be delivered by Rev. J. Walter Morris at a union meeting of all Torrance churches at the high school auditorium Sunday morning, June 22.

### WOMAN'S CLUB NEW OFFICERS ARE SELECTED

At the regular meeting of the Woman's club, held Thursday afternoon, the following were elected officers for the coming year: Mrs. J. M. Fitzhugh, president; Mrs. F. L. Parks, first vice-president; Mrs. George Peckham, second vice-president; Mrs. Joe Stone, third vice-president; Mrs. W. J. Neelands, recording secretary; Mrs. W. H. Gilbert, treasurer; Mrs. J. A. Young, federation secretary; Mrs. J. H. Milburn, corresponding secretary; Mrs. H. E. Reeve, auditor; Mrs. P. G. Briney and Mrs. Isabel Henderson, directors.

### COMING MOVIE ATTRACTIONS

For those who are in search of novelties, Will Rogers offers one of startling proportions. The cowboy comedian actually wears a cutaway coat and a monocle in his latest Hal Roach Pathecomedie, "High-brow Stuff," which will be seen Saturday at the Torrance theatre. After hearing this momentous bit of news, we are moved to ponder over what the world is coming to. Truly the age of miracles is not yet past!

Being just a "wee bit old fashioned" in manner and dress gives Viola Dana a chance to display some pretty crinoline in "Crimoline and Romance," her new Metro picture, which Harry Beaumont directed, to be at the Torrance theatre Saturday.

Among the charming little dresses of grandma's day worn by Miss Dana is a soft lavender silk with clusters of rosebuds designed in the material. Around the hem of the skirt is a scalloped ruffle, edged with narrow rose-colored satin ribbon. The puffed sleeves also have ruffles edged with the ribbon. With this dress is worn a poke bonnet of rose satin faced with white georgette and trimmed with a wreath of rose-colored flowers.

A whole city co-operated in the making of "Her Temporary Husband," the First National film comedy coming Sunday and Monday to the Torrance theatre. The city—Long Beach, California—donated its fire department, its police department, letter carriers and city government officers to appear in the big exterior scenes. Members of 31 civic and fraternal organizations also helped.

### SWIMMING PARTY

A jolly crowd that enjoyed a swim at Redondo Beach this morning included Mesdames Rosenberger, May McKinley, George Forbes and Howard Cooper, Miss Rena Nutty, Chowney Stone, and Forrest McKinley.

### ROBINSON-FORBES

Mrs. Myrtle Robinson and George Forbes were married May 27 at Santa Ana, and are making their home in Murray court.

Mr. Forbes is associated with the Superior Oil company.

### CARD PARTY

A card party will be given in Catholic hall Monday evening, June 16, at 8 o'clock, by the Catholic Altar society. Refreshments and prizes. You are cordially invited.

### A THEATRE PARTY

Mr. and Mrs. Ed Kelly entertained Wednesday evening at a theatre party in Los Angeles. Upon their return home a delicious waffle supper was served to the following guests: Mr. and Mrs. Ted Francis, W. Harold Kingsley, and Grover C. Whyte.

### FRENGERS ENTERTAIN

Guests at a beautifully appointed dinner at the home of Mr. and Mrs. Ted Frenger of West Carson street Tuesday evening were Mr. and Mrs. J. Wallace Post, Grover C. Whyte, and W. Harold Kingsley.

### NOT ONLY ENGAGED

She was a dainty young thing, dressed in the latest fashion, and as she tripped up the stairs the office boy gasped, then grinned, as she came to a standstill before him.

"Yes, miss?" he asked rather impatiently.

"Could you tell me if Mr. Jenks is in?" she asked.

The boy nodded and pointed vaguely over his shoulder at the open door.

The girl hesitated for a moment.

"Do you know if he is engaged?" she inquired.

The boy looked astonished.

"Engaged?" he almost shouted.

"Engaged! Why he's married and got two kids!"

### A BIG BUYER

The hour was rapidly approaching closing time, and the salesman was thoroughly worn out. Still, he was a good salesman, and the customer before him—a woman faultlessly attired in next year's fashions—had all the appearance of being a profitable patron.

Cheerfully he unrolled and re-rolled piece after piece of linoleum for inspection, but all to no purpose. Nothing, it seemed, could satisfy her.

"I'm extremely sorry, madam," said the salesman, "but I'm afraid I have shown you all the linoleum I have in stock.

Of course, I can get some more up from our factory, if you care to call again tomorrow."

"Yes," agreed the customer, "perhaps I'd better leave it at that. You see, I want quite a small design—something suitable for the floor of a canary cage."

### Long Life to Oil Field Predicted by Experts

(Continued from Page One)

than its present record, all are quite agreed that it should maintain an average of 45,000 to 50,000 for some months to come—more likely somewhere in the forties. Since individual wells, even the larger ones, have failed to maintain a consistent flow for more than a few weeks, it would be inconsistent to expect the field average to remain anywhere near stationary for any length of time, such as was maintained in the other big fields.

Water encroachments will be felt along the edges before long, but the center of the field should remain free from water—save in those areas damaged by imperfect shut-offs—for many months. This is due to the field being unusually flat, consequently shallow as to structures.

Hit Operators Hard  
The small independents were hard hit by the uneconomic development of the Lomita area which should have proved the cream of production. While it is true that the one, two, or even four-well outfits never will pay out, the same statement does not hold good with the larger companies which were well financed and held larger acreage.

But the warning sounded at the very outset of the Lomita drilling fell

on deaf ears, as it did at Santa Fe Springs and Long Beach. After devastating at least portions of four big fields here in the south by these uneconomic methods, it would seem about time to call a halt.

Whether this will be done in the development of the Rosecrans-Athens areas remains to be seen. Some of the companies securing small leases are making a determined effort to combine them into community leases, and while there will be no such wild rampage of individual unit or syndicated drilling as was witnessed during the two years just passed, conservative oil men are hoping for a more deliberate policy.

### CHILDREN'S DAY AT CENTRAL EVANGELICAL CHURCH

Next Sunday is Children's Day at Central Evangelical church. It will be a great day for the kiddies. There will be speaking and singing and drills. The primary department, under the supervision of Mrs. Lancaster, will render most of the program, but the junior department will assist also. The services begin at 10:30. Everybody is invited to come and enjoy the service with the children.

Mr. and Mrs. Harry Bodley of Arlington avenue were guests Wednesday of Mr. and Mrs. Marvin McRae of Sawtelle.

Watch Our Want Ads Grow.

### ATTEND LUNCHEON

Mrs. George D. Watson and Mrs. John Guyan attended the luncheon at the Palisades in Los Angeles Wednesday, given by the associate matrons in honor of the matrons of the Eastern Star.

The luncheon was followed by a matinee party.

### SECOND ANNIVERSARY

Mr. and Mrs. Harry Bale of Carson street entertained at dinner Monday evening in honor of the second anniversary of the wedding of Mr. and Mrs. Laurence Crowell. Covers were laid for the honorees, and Misses Mabel Conkel and Lily Gibson, Homer Bale, and the host and hostess.

### BACK FROM HONEYMOON

Mr. and Mrs. W. H. Dillon, who were married June 6 at Fresno, have returned from a honeymoon trip to Yosemite, and are at home in Spurlin court.

Mr. Dillon, formerly of Coalinga, is production foreman for the Superior Oil company.

### ZIP! BANG!

The boys of Torrance were given a bunch of firecrackers each at the Torrance Hardware company store Wednesday afternoon, which accounts for the loud noise and excitement that caused motorists and others to stop and see what it was all about. The boys were told not to come until 4 o'clock, but the lineup was about a block long at 2 o'clock.
